

“COVID Won’t End Until It Ends For Everyone”

The United Church’s ‘*Gifts with Vision*’ is raising money to buy vaccines for countries where they are in short supply. The Fundraiser is called “**Emergency Response: COVID-19**” and the Saint Luke’s Outreach Team is hoping that you will be as energized by this fundraiser as we are.

For just \$25 dollars, you can give the gift of a two-dose vaccine and help save a life. Plus, if you donate by Sept. 6th, your donation will be matched by the Canadian government, therefore saving twice as many lives.

You have 3 options on how to donate.

#1. Click on the following link:

With gratitude,
