

Learning to Worship in New Ways

Sunday Bible Study

Word for this Week - Gospel

Over the next few weeks we are going to look at specific words from the New Testament that have a real impact on our Christian faith. Words like "sin, repentance, forgiveness, grace, righteousness" etc.. Each Sunday morning we will take a look at one word in detail and trace its evolution through the NT and then attempt to connect it to 21st century Canadian lifestyle.

Re-Cap Of June 28 Service

Sometimes God taps us on the shoulder. These can be life changing moments for us as our hands and hearts bless others. The key is trusting the tap when it comes. Mark talks about how those taps on the shoulder are also moments when the Christ is multiplied in us.

Wednesday Morning Bible Study

When Luke wrote his Gospel, it was originally part of a two book series. In fact, some scholars believe that Luke's real intention was to write a trilogy of which the last volume was lost or never completed. In any event, Luke and Acts were broken up in the New Testament with Luke being placed with the other Gospels and Acts being placed as an introduction to the writings of Paul.

The Book of Acts is the critical link between Jesus and the early Church. Join Pastor Mark as we follow the early Apostles' journey into the Greco-Roman world of their times.

In some ways, the original challenge for church in the 1st century is not unlike the challenge facing the church in 21st century Canada. Wednesday mornings starting on April 22 from 10:30am to Noon.

Join Wednesday, July 8th via information to the left.
